---	------------------------	--

Additional Information

Marv has over 30 years healthcare experience as a clinical pharmacy resident, clinical pharmacist, pharmacy clinical coordinator, pharmacy automated data processing coordinator, and pharmacy director. Marv has over 20 years experience with the VISTA system specializing in all pharmacy modules and Pharmacy Bar Code Medication Administration. He has been directly involved for the past seven years in the commercial Vista enterprise assessments, configuration, training, deployment, and post-deployment support. Marv has successfully deployed Vista pharmacy to 14 sites. Marv has been recognized by all deployment sites for his exceptional customer service and ongoing support.

Marv holds a Bachelor of Arts in Biology from UCLA, and a Doctor of Pharmacy from the University of Southern California. Marv has held faculty status of Adjunct Professor of Pharmacy at University of Southern California, and University of the Pacific. Marv is currently on faculty at Santa Monica College, School of Nursing. He resides in Simi Valley, California with his family
