

July in MyVeHU Campus!

MyVeHU Campus is hosting sessions for the following tracks: Clinical Informatics Support (CIS), Dietetics, ICD-10, Nutrition, Office of Informatics and Analytics (OIA), PACT, Privacy, Productivity, and Women's Health – and those are just the July sessions! All MyVeHU Campus trainings are presented Live, Virtual, Online – delivered directly to your desktop or mobile device. Many have applied to provide CMEs and all sessions provide CEUs. For more information visit www.vehu.va.gov.

See a session you'd like to attend? Click the corresponding Register button below. You can also browse other live training opportunities or search our extensive on-demand library by visiting www.myvehucampus.com.
