

# vxCPRS - Streamline the documentation process

[Webinar with Certificate](#) | [Recorded Webinar](#) | [Additional Resources](#) | [Others from this presenter](#) | [Related Questions](#)

A screenshot of the vxCPRS software interface. The title bar reads "vxCPRS" and "vxJourney". The main window is titled "Using Order Sets" and displays a complex form with various fields, buttons, and a list of items. A red circle highlights a specific button or field in the interface.	A head-and-shoulders portrait of Jeanette Klement, a woman with blonde hair, smiling against a blue background.	<p><b>Jeanette Klement</b></p> <p>Jeanette has more than 29 years of healthcare experience working with the VistA system as nursing automated data processing coordinator, training specialist, and supervisor of the Clinical Application Team implementing Computerized Patient Record System</p>
